Area Memory Cafés

We are fortunate that the HESSCO service region offers several memory cafés.

What is a Memory Café?

A memory café is a welcoming place for individuals living with memory changes, as well as their families and friends. Memory cafés meet at a variety of places including libraries and

councils on aging. The monthly programs for memory cafés vary but they are all designed to provide support to others facing similar situations.

Consult the Jewish Family and Children's Services [website](#) to find details and locations of memory cafés in Massachusetts.
